Meeting Topic:

The Griffin Plant manufactures the Caterpillar 3300, 3400 and 3500 series of engines. In addition to engines the plant also manufactures generators. After a short presentation we will break into smaller groups for a tour of the plant.

There are a few requirements for the tour.

- No one under 12 years old!
- The use of cameras is not allowed during plant visits.
- Shoes covering the entire foot are required while in the factory. No open heels/toes.
- Safety glasses (**provided by the facility**) must be worn at all times while in the factory.
- Cellular phone operation in the factory is prohibited.
- No short pants may be worn inside the facility.
- Visitors are required to stay with their tour escorts while in the factory.

Carpooling Directions

For those who want to carpool to the October meeting, we will meet at the visitor's parking lot of the Ford Assembly Plant in Hapeville. I will have a van available but you must RSVP early for space on the van. We will leave the Ford Plant at 5pm.

Don't forget to take the Atlanta Section Survey on our website. If you don't have access to the web, please give me a call at (404) 894-1753 and I will mail a copy of the survey to you.
